Faculty Position Opening at Department of Technology Application and Human Resource Development, National Taiwan Normal University, Taiwan

I.   Position: One full-time Assistant Professor, Associate Professor, or Full Professor

II. Qualifications: Applicants should possess a Ph.D. or be close to completion, have demonstrated research capability, and be committed to quality teaching. Applicants (novice teachers with a Ph.D. excluded) should meet one of the following criteria:

1.   Have published at least <u>two</u> academic articles within the past <u>three</u> years in journals indexed in SCIE, SSCI, TSSCI, EI, A&HCI, THCI Core or SCOPUS, as the first or corresponding author.

2.   Have conducted at least <u>two</u> research projects (or industry-academia cooperation project) within the past <u>three</u> years.

3.   Have been granted at least <u>one national or international utility patent or have won awards from annual international competitions within the past three years</u>.

4.   Have had extensive experience and specific achievements in industries (i.e., technical experts).

※Novice teacher refers to someone who, from the date of obtaining a Ph.D. to the date of the recruitment announcement, within 2 years (excluding military service), has not held a full-time teaching position at a college or university.

※Applicants who obtained the highest degree from National Taiwan Normal University should have at least two years of full-time teaching or research experience in other public or private colleges, universities, or academic institutes.

III. Expertise:

<u>Candidates must meet one of the following qualifications and have the ability to teach EMI (English as a medium of instruction) courses</u>:

1.   Technology and Engineering Education, STEM education, or AI education

2.   E-Learning or Educational Technology

3.   Human Resource Development or Organizational development

4.   Computer Science, Computing Technology, or Computer Engineering

IV. Required Documents:

1.   Application form on page 3.

2.   Copy of Ph.D. diploma (if applicable), academic qualifications, and experience certifications.

3.   Copy of academic transcripts.

※ Degree or Transcripts from a foreign educational institution shall be certified as authentic by an ROC embassy, consulate, representative office, or office, or other agency authorized by the Ministry of Foreign Affairs.

4.   List of research projects within the past <u>three</u> years.

5.   List of research publications (Please list the journals' names and the impact factor in detail, and specify if the academic journals are indexed in SCIE, SSCI, TSSCI, EI, A&HCI, or THCI Core or SCOPUS).

6.   <u>Two letters of recommendation regarding your working ethics, professionalism, personal relationship, research and teaching performances etc.</u>

7.   <u>Proof of research achievements and academic publications (the cover of the PhD dissertation, tables of contents, the abstract, photocopies of prizes or honors, the cover of publication, etc.)</u>

8.   Other supporting documents (e.g., teaching and service certificates).

V.   How to apply:

1. Deadline: Applications are open until ==February 14, 2025 (Friday)==.
2. Please fill out the application form on page 3 and email it (saved as the odt file) to Ms. Jie-Mao Lin at mao123@ntnu.edu.tw, Tel.: +886-2-7749-3433.
